Healthy Ohio Forum on Childhood Obesity Prevention

Setting the Direction for Healthier Children

Keynote by Dr. Bill Dietz, Director of the Division of Nutrition,
Physical Activity and Obesity for the Centers for Disease Control and Prevention

Friday, Sept. 19, 2008

8:30 a.m. until 4:30 p.m.

Capitol Theater - Vern Riffe Government Center
77 S. High St., Columbus, OH 43215

Who should attend?

State, community and business leaders interested in health, nutrition, physical activity/recreation, education, transportation, urban planning and all those with interest in a comprehensive, cross-systems approach to preventing and reducing childhood obesity

Goals for the day

- Learn from experts about current research and initiatives
- Share information about promising best practices and local projects
- Build upon existing efforts and participate in development of a coordinated and comprehensive state action plan

Additional information on agenda to follow. Limited seating is available, so please register for **course number 1013886** at <http://oh.train.org> by August 19, 2008. Directions for registering: Go to <http://oh.train.org>. If you have not previously used [Oh.Train.org](http://oh.train.org) to register for a meeting, you will need to create a login and password. Next, place **1013886** into the "Search by Course ID". This will take you to the Childhood Obesity Forum Registration. Click on "Healthy Ohio Forum on Childhood Obesity Prevention" and complete the following short questionnaire. The information will be used to assess needs, gaps, and to share community project experiences at the forum.

For questions please call the Office of Healthy Ohio at **614-466-1663**
