

spring *into* action!

Join COSI this spring as we explore our changing world.

FROGS

A CHORUS OF COLORS

Exhibit showing now through May 17, 2009

In this hands-on, minds-on adventure, view frogs from all over the world, activate recorded frog calls and even perform a virtual frog dissection to learn more about these colorful creatures.

WILD OCEAN

PRESENTED BY NOKIA

On the Extreme Screen through May 29, 2009

An action-packed, inspirational film exploring our endangered ocean ecosystems and what scientists are doing to make a difference for the animals that call it home.
