

## Ohio Green Living Fayre Labor Day 2009 Sponsorship Opportunities

The Ohio Green Living (OGL) Fayre Labor Day on the River (September 7, 2009) is an annual grassroots community event organized by volunteers working year-round to put it all together. The Fayre celebrates the many small businesses, organizations, individuals, and initiatives in the region dedicated to building community identity rooted in the principles of sustainability. All net profits from the event are donated to Ohio-based non-profit organizations.

Sponsors are an important part of the OGL Fayre Labor Day. Sponsors will be prominently featured on [www.ohiogreenliving.org](http://www.ohiogreenliving.org) with a link to their corporate or personal website. Each company logo will be included on the program and any advertising, wherever possible. You will have a booth at the Fayre and a number of tickets allotted to you. Of course you may use these tickets how you choose, including as give-aways in advance to promote the Fayre and your organization.

At the OGL Fayre Labor Day all sponsors will have their name on a sign placed at the Fayre entrance. Sponsors also have the option to have their company name placed on a banner at the location they are sponsoring, on a first-come basis. There are four workshop areas: Alternative Building & Energy, Sustainable Food & Agriculture Practices, Sustainable Living & Lifestyles, and Health & Wellness.
