*10TV & Metro Parks
Outdoor Adventure
Saturday, July 23, 2016
10 a.m. – 8 p.m.*

Dear Metro Parks Supporter,

All winter long, we have been thinking about summer and planning big changes to Play Date in the Park! The first big change is to the name- the event will now be **10TV & Metro Parks Outdoor Adventure**. We are collaborating with 10TV to make this event bigger and better than ever before! We are hoping the new name will bring in a more diverse audience, but still focus on family fun in the outdoors. In addition, we are hoping the partnership can take this event from 1,000 visitors to 10,000!

We hope you will join us as we celebrate healthy, family living at **10TV & Metro Parks Outdoor Adventure at Highbanks Metro Park (9466 Columbus Pike, Lewis Center) on Saturday, July 23rd from 10 a.m. – 8 p.m.** We are planning to highlight the many ways people can connect with nature and improve their health. Our hope is to inspire more people to get outside and play!

Part of the success of this event depends on the support of organizations such as yours. Metro Parks is interested in collaborating with your organization to provide central Ohio families and enjoyable day in the park. We are asking each organization to bring with them a hands-on activity for their display. We will provide each group with a table and two chairs.

If you are able to join us this year, please email or call me with the contact person's name and email as well as an idea of what activity you will be bringing and any additional supplies you are requesting. We will email flyers, additional directions and information closer to the event. If you have any additional questions, please don't hesitate to contact me. I look forward to hearing from you soon.

Sincerely,

Jill Snyder
Senior Naturalist
